

Azure Migration Readiness Assessment

Invero will help you assess and plan your potential migration to Azure. We'll help you understand the technical readiness of your workloads, future operational costs and provide a proposal to conduct the migration. We'll make all this simple for you!

Our Process

A proven formula.

Step 1: Analyze Workloads

Step 2: Determine Monthly Azure Costs

Step 3: Prepare Migration Proposal

Step 4: Present all this to you and provide you expert guidance through your Azure journey

COST: \$5,000 CAD

For qualifying clients
Plus applicable taxes

Your Deliverables

Driving Digital Performance.

✦ Azure Migrate Report

A detailed report outlining the technical readiness to migrate to Azure. We'll help you clearly understand this and explain any technical constraints.

✦ Azure Monthly Cost Estimate

We'll provide you a report that helps you understand what your monthly costs will be in Azure, and expert guidance to help you understand the licensing programs you could consider and the savings they would yield.

✦ Proposal for Conducting the Migration

We'll prepare and present a proposal to help you understand the steps involved in the migrations, the estimated project costs, and any available funding programs.

We help clients maximize the **VALUE** of their investment in Microsoft Cloud Platforms
